### *Stops and Waypoints*

These are provided for pre-programming navigation software.

Stops are places where we plan a break. If you get really lost, drive direct to the next stop.

Waypoints are locations we'll pass by. Only major turning points are included.

Our planned route between waypoints is probably not the one your nav system will chose.

<b>Time</b>	<b>Type</b>	<b>Description; Approximate Address</b>	<b>Lat</b>	<b>Long</b>
9:08 AM	Wpt	IL-120 and O'Plaine Rd; 14461 Illinois 120, Gurnee, IL 60031	42.346098	-87.914509
