

WCMC Tour Check Off List

1. ___ Make sure everyone has signed the wavier sheet. Explain what it does.
2. ___ Make sure everyone has a copy of the directions.
3. ___ Point out known detours and any dangerous intersections.
4. ___ Remind drivers to follow at a safe distance. (Two car lengths preferred).
5. ___ Mention how far it will be before the next bathroom stop or gas stop.
6. ___ Remind those who drive slower that we will always pull over at various locations to wait for them.
7. ___ Wait at turns (in a safe location) for the person behind to see you.
8. ___ Drivers with no navigators should try to get behind a car with a navigator.
9. ___ Mention what CB channel everyone should be on. The lead car will announce turns and oncoming traffic. The sweep car will announce where they are currently. Please be polite and keep chatter to a minimum. Cars without CB's should stay between two cars with CB's.
10. ___ Make sure you have the lead car's cell phone number in the event you get lost or there is an emergency.
11. ___ Turn on your headlights. Safety Safety Safety...this insures that others will see us and know we are traveling as a group.
12. ___ Announce who the sweep car is going to be. (Last car)
13. ___ Remember, we represent the," Windy City Miata Club", so obey all laws. (No passing in a no passing zone, etc). You are all individually responsible for your safety along with the safety of your passenger and other motorists or pedestrians. Apply the, "Rules of the Road", driving.
14. ___ Slower drivers in front, spirited drivers in back.
